Guida alle sedi Erasmus+ ad uso delle studentesse e degli studenti del Dipartimento di Scienze Politiche

SAPIENZA
UNIVERSITÀ DI ROMA

DIPARTIMENTO
DI SCIENZE POLITICHE

Questa brochure raccoglie molte informazioni utili alle studentesse e agli studenti del Dipartimento di Scienze Politiche per la scelta della sede e per la progettazione del loro percorso formativo all'estero nell'ambito del programma Erasmus+.

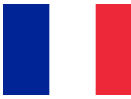

Per ognuna delle sedi partner sono riportate alcune informazioni essenziali relativamente a:

- la durata della mobilità e i requisiti richiesti (certificazioni linguistiche e ciclo di studi: 1. Studenti triennali; 2. Studenti magistrali; 3. Dottorandi di ricerca);
- gli Uffici e gli eventuali referenti all'estero da contattare;
- la durata e il periodo dei corsi (semestre);
- la possibilità di seguire corsi impartiti in lingue diverse rispetto a quelle richieste dall'accordo;
- l'offerta formativa in lingua inglese;
- la possibilità di seguire corsi e sostenere esami anche in altri Dipartimenti o Facoltà dello stesso Ateneo;
- l'eventuale obbligo di registrazione prima della partenza per seguire corsi a numero chiuso;
- la disponibilità di residenze universitarie e l'offerta di supporto da parte degli uffici stranieri nella ricerca dell'alloggio;

e altre variabili importanti al fine di organizzare la mobilità Erasmus+.

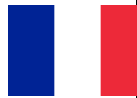

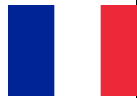

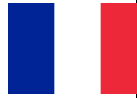

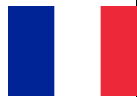

La raccolta è stata realizzata e aggiornata periodicamente attraverso una campagna di interrogazione dei partner del Dipartimento di Scienze Politiche, con la preziosa collaborazione delle studentesse (in ordine alfabetico) Elena Biscozzi, Eva Burba, Ludovica Conserva, Roberta Iuliano, Annarita Napolitano, Giulia Oliva, e degli studenti Riccardo Berti, Federico Biondini Vittorio Pio Casciani, Emanuele Carramusa, Giuseppe Ranieri, Gabriele Vallin.

Erasmus+ students may also include in the Learning Agreement courses offered by other Departments/Faculties of the same University

Yes, but limitation applies: Yes, but limitation applies: You and your home coordinators decide which courses you would like to choose based on your study plan at home. We do not prescribe any specific courses or number of ECTS for our incoming Erasmus+/SEMP students. **In principle, you can choose courses at all faculties and departments as long as you meet the subject and language requirements, independently of which degree you are enrolled in.**

Students may also select courses taught in different languages (for example, in English): Yes

It is recommended that every incoming exchange student has sufficient proficiency in German or at least in English (both ~ B1/B2). The number of courses offered in English often depends on the level of teaching. It may be easier to find English taught courses on MA-level than on BA-level.

List of Courses Taught in English by Faculty and Department:

<https://www.plus.ac.at/international-relations-department/international-relations-office/service-for-students/in-salzburg/study-placements/courses-taught-in-english-by-department/?lang=en>

- **NUMERUS CLAUSUS COURSES**

Are there any courses with a predetermined number of attending students?	YES	x Seminars (SE), Tutorials (UE, VU), Excursions	NO	
		(EX), etc. have a limited number of participants		
Erasmus incoming students must register in advance to attend single courses	YES	x	NO	
Could You evaluate an exemption from previous registration for Erasmus Incoming students?	YES		NO	x but the Learning Agreement can be changed after completed personal registration and final course selection.
If registration is necessary, how far in advance, before the course starts, are registrations opened?	At PLUS there is a variety of course types, each having its own eligibility and registration requirements: Lectures (VO) do not have participation limits and close with a final exam. Registration is possible many weeks. Seminars (SE), Tutorials (UE, VU), Excursions (EX), etc. have a limited number of participants, registration therefore has to be done very quickly. To pass seminars, etc. regular participation during the semester and final papers are required. Whether you can attend a course only becomes clear at the beginning of the semester - after the blinding course registration.			

SECTION 2 – HOUSING

Does Your University provide accommodation for incoming Erasmus students? No.

The University of Salzburg does not own any student dormitories and therefore cannot offer a housing service. However we provide information about Housing Opportunities in Salzburg on our website: <https://www.plus.ac.at/international-relations-department/international-relations-office/international-life/?lang=en>

<https://oead.at/en/to-austria/entry-and-residence/>

Students are recommended to start very early searching for accommodation! Students need to be careful not to fall victim to rental fraud with private landlords when making down payments.

Which platforms/websites would you recommend for students to find accommodation in

Erasmus incoming students must register in advance to attend single courses	YES	x	NO	
Could You evaluate an exemption from previous registration for Erasmus Incoming students?	YES		NO	x but the Learning Agreement can be changed after completed personal registration and final course selection
If registration is necessary, how far in advance, before the course starts, are registrations opened?	At PLUS there is a variety of course types, each having its own eligibility and registration requirements: Lectures (VO) do not have participation limits and close with a final exam. Registration is possible many weeks. Seminars (SE), Tutorials (UE, VU), Excursions (EX), etc. have a limited number of participants, registration therefore has to be done very quickly. To pass seminars, etc. regular participation during the semester and final papers are required. Whether you can attend a course only becomes clear at the beginning of the semester - after the blinding course registration.			

SECTION 2 – HOUSING

Does Your University provide accommodation for incoming Erasmus students? No.

The University of Salzburg does not own any student dormitories and therefore cannot offer a housing service. However we provide information about Housing Opportunities in Salzburg on our website: <https://www.plus.ac.at/international-relations-department/international-relations-office/international-life/?lang=en>

<https://oead.at/en/to-austria/entry-and-residence/>

Students are recommended to start very early searching for accommodation! Students need to be careful not to fall victim to rental fraud with private landlords when making down payments.

BACHELOR'S DEGREE: Students on the exchange programme join the Undergraduate College courses on one of **Sciences Po's seven campuses**: Dijon, Le Havre, Menton, Nancy, Paris, Poitiers or Reims. A CERTIFICATE OF STUDIES IN SOCIAL SCIENCES AND HUMANITIES IS AVAILABLE FOR UNDERGRADUATE EXCHANGE STUDENTS. THIS CERTIFICATE GIVES STUDENTS AN OPPORTUNITY TO DEEPEN THEIR KNOWLEDGE OF THE HUMANITIES AND SOCIAL SCIENCES WITHIN A CORE, MULTIDISCIPLINARY CURRICULUM IN THE DISCIPLINES TAUGHT AT SCIENCES PO (POLITICAL SCIENCE, LAW, HISTORY, ECONOMICS, SOCIOLOGY, HUMANITIES), EITHER IN FRENCH OR IN ENGLISH. IT ALSO ENABLES STUDENTS TO STUDY A FOREIGN LANGUAGE.

MASTER'S DEGREE: The majority of Master's programmes at Sciences Po are open to exchange students, although some have linguistic and/or academic requirements. **Students are accepted onto one Master's programme, and may not attend the courses of any other Master's programmes.** Exchange students in our graduate programmes must be attached to a specific Masters programme and are restricted to classes in that programme only. **There is no possibility to take classes from other programmes' course lists.** ALL MASTER'S EXCHANGE STUDENTS AT SCIENCES PO STUDY ON THE PARIS CAMPUS.

At Master level students have to choose a Master except for PSIA and School of public Affair in which all courses are available : <https://www.sciencespo.fr/international/en/content/masters-exchange-programme.html>

Students may also include in the Learning Agreement courses and exams taught in different languages (for example, in English): YES: Exchange students can take their courses at Sciences Po in French or English depending on the requirements of their home university, and must meet language requirements in both languages.

As per the English taught exams, there are such a number (divided per Campus) but there is not a single list on a document, but rather a [Grand Syllabus](#) that you can access by selecting a specific campus on the page, and then semester 1 or 2 (at Undergraduate level). If Your University provides housing to visiting students, what is the deadline for them to apply?

We strongly recommend to book in advance, especially in Altea Campus (Fine Arts studies) due to the difficulty to find accommodation in the little tourist village. It will be necessary to search in the surrounding area: Benidorm, Alfaz del Pi, El Albir, Calpe, etc. well-connected by tram or bus.

Which platforms/websites would you recommend for students to find accommodation in Your City?

UMH does not have residence halls or off-campus student accommodations. Instead, there is a vast network of private accommodations near the university. More information about this network can be found at the Programa Nido
Programa Nido is a public database of private accommodations where owners voluntarily publish their properties so students can check availability near the campus. This online tool is public service- minded and aims to provide the university community with useful information in order to find accommodations according to their needs.

Guide to transcript awarded by Universidad Nacional de Educación a Distancia. ECTS Credits

The National University of Distance Education (UNED) uses the European Credit Transfer and Accumulation System (ECTS) which is a workload-based system for measuring and comparing study results. The student is awarded a certain number of ECTS credits for each course which reflects the workload necessary to successfully complete a course.

Credits are awarded only when the student has fulfilled the course requirements, including regular attendance. The credits are allocated by the individual departments in accordance with the standard workload determined by the respective study and examination regulations whereby one credit equals 25 – 30 hours of study.

Please note that the Student Exchange Office refrains from prescribing a standard workload per semester since the

different scholarships processed through our office differ in their individual requirements.

Grades

The student Exchange Office recommends the following grading equivalency table: **E MADRID01**: The students' performance is assessed using a 10-point grading scale. The grades can be expressed in words as follows: 10 with distinction: "Matrícula de Honor", 9-10: "Sobresaliente" ("outstanding"), 7-8: "Notable" ("remarkable"), 5-6: "Aprobado" ("pass"), and 0-4: "Suspenso" ("fail").

As a French-taught university, incoming students must get **at least the level B1 in French** before the start of classes. It's mandatory, even though we do not require a language certificate.

French courses available to international students <https://www.ulb.be/en/get-help-with-french/learning-french-at-ulb> Each incoming student must respect our rule regarding the choice of courses : "60% of chosen courses must come from the study field they belong to, at the nomination process (e.g. Political Sciences, History, etc.), 40% can be chosen from other study fields or Faculty or ULB institutions." Which means that each incoming student has the possibility to choose English- taught courses from any study program, following the rule above and under the approval of their academic coordinator.
