Guida alle sedi Erasmus+ ad uso delle  
studentesse e degli studenti del Dipartimento  
di Scienze Politiche

SAPIENZA  
UNIVERSITÀ DI ROMA

DIPARTIMENTO  
DI SCIENZE POLITICHE

Questa brochure raccoglie molte informazioni utili alle studentesse e agli studenti del Dipartimento di Scienze Politiche per la scelta della sede e per la progettazione del loro percorso formativo all'estero nell'ambito del programma Erasmus+.

Per ognuna delle sedi partner sono riportate alcune informazioni essenziali relativamente a:

- la durata della mobilità (semestrale o annuale)
  - il ciclo di studi: 1. studenti triennali; 2. studenti magistrali; 3. Dottorandi di ricerca);
  - gli attestati linguistici richiesti (se è sufficiente l'attestato rilasciato dal Centro Linguistico di Ateneo, abbr. CLA, oppure occorre una certificazione ufficiale rilasciata dagli enti riconosciuti dal Paese ospite (ad es. Cambridge, IELTS, TOEFL, DELE, DELF);
  - gli Uffici e gli eventuali referenti all'estero da contattare;
  - le date di inizio e fine della mobilità
  - la possibilità di seguire corsi impartiti in lingue diverse rispetto a quelle richieste dall'accordo;
  - l'offerta formativa in lingua inglese;
  - la possibilità di seguire corsi e sostenere esami anche in altri Dipartimenti o Facoltà dello stesso Ateneo;
  - l'eventuale obbligo di registrazione prima della partenza per seguire corsi a numero chiuso;
  - la disponibilità di residenze universitarie e l'offerta di supporto da parte degli uffici stranieri nella ricerca dell'alloggio;
- e altre variabili importanti al fine di organizzare la mobilità Erasmus+.

*La raccolta è stata realizzata e aggiornata periodicamente attraverso una campagna di interrogazione dei partner del Dipartimento di Scienze Politiche, con la preziosa collaborazione delle studentesse (in ordine alfabetico) Elena Biscozzi, Eva Burba, Ludovica Conserva, Roberta Iuliano, Annarita Napolitano, Giulia Oliva, e degli studenti Riccardo Berti, Federico Biondini Vittorio Pio Casciani, Emanuele Carramusa, Giuseppe Ranieri, Gabriele Vallin.*

*Questa edizione è stata aggiornata dalle studentesse Ilaria Cortellesi e Gioia Musico*

THIS CERTIFICATE GIVES STUDENTS AN OPPORTUNITY TO DEEPEN THEIR KNOWLEDGE OF THE HUMANITIES AND SOCIAL SCIENCES WITHIN A CORE, MULTIDISCIPLINARY CURRICULUM IN THE DISCIPLINES TAUGHT AT SCIENCES PO (POLITICAL SCIENCE, LAW, HISTORY, ECONOMICS, SOCIOLOGY, HUMANITIES), EITHER IN FRENCH OR IN ENGLISH. IT ALSO ENABLES STUDENTS TO STUDY A FOREIGN LANGUAGE.

**MASTER'S DEGREE:** The majority of Master's programmes at Sciences Po are open to exchange students, although some have linguistic and/or academic requirements. **Students are accepted onto one Master's programme, and may not attend the courses of any other Master's programmes.** Exchange students in our graduate programmes must be attached to a specific Masters programme and are restricted to classes in that programme only. **There is no possibility to take classes from other programmes' course lists.** ALL MASTER'S EXCHANGE STUDENTS AT SCIENCES PO STUDY ON THE PARIS CAMPUS.

**At Master level students have to choose a Master except for PSIA and School of public Affair in which all courses are available :** <https://www.sciencespo.fr/international/en/content/masters-exchange-programme.html>

Students may also include in the Learning Agreement courses and exams taught in different languages (for example, in English): YES: Exchange students can take their courses at Sciences Po in French or English depending on the requirements of their home university, and must meet language requirements in both languages.

As per the English taught exams, there are such a number (divided per Campus) but there is not a single list on a document, but rather a [Grand Syllabus](#) that you can access by selecting a specific campus on the page, and then semester 1 or 2 (at Undergraduate level). Virtually all of our courses are numerus clausus courses, with typically small sized classes.

Sciences Po Rennes has an agreement with CROUS which deals with accommodation in halls of residence. We normally obtain a small number of the rooms we apply for. This is why Sciences Po Rennes cannot guarantee a room to each student. Halls of residence are situated approximately a 15 minutes' walk from Sciences Po Rennes. Students are informed of the result of the rooms' attribution at the end of June for an admission in September and in November for an admission in January. If Sciences Po Rennes could not reserve a room for your students, the student association "Zephyr" will help them in their research for housing.

If Your University provides housing to visiting students, what is the deadline for them to apply?

We strongly recommend to book in advance, especially in Altea Campus (Fine Arts studies) due to the difficulty to find accommodation in the little tourist village. It will be necessary to search in the surrounding area: Benidorm, Alfaz del Pi, El Albir, Calpe, etc. well-connected by tram or bus.

Which platforms/websites would you recommend for students to find accommodation in Your City?

UMH does not have residence halls or off-campus student accommodations. Instead, there is a vast network of private accommodations near the university. More information about this network can be found at the Programa Nido

Programa Nido is a public database of private accommodations where owners voluntarily publish their properties so students can check availability near the campus. This online tool is public service-minded and aims to provide the university community with useful information in order to find accommodations according to their needs.

### Guide to transcript awarded by Universidad Nacional de Educación a Distancia. ECTS Credits

The National University of Distance Education (UNED) uses the European Credit Transfer and Accumulation System (ECTS) which is a workload-based system for measuring and comparing study results. The student is awarded a certain number of ECTS credits for each course which reflects the workload necessary to successfully complete a course.

Credits are awarded only when the student has fulfilled the course requirements, including regular attendance. The credits are allocated by the individual departments in accordance with the standard workload determined by the respective study and examination regulations whereby one credit equals 25 – 30 hours of study.

Please note that the Student Exchange Office refrains from prescribing a standard workload per semester since the different scholarships processed through our office differ in their individual requirements.

### Grades

The student Exchange Office recommends the following grading equivalency table: **E MADRID01**: The students' performance is assessed using a 10-point grading scale. The grades can be expressed in words as follows: 10 with distinction: "Matrícula de Honor", 9-10: "Sobresaliente" ("outstanding"), 7-8: "Notable" ("remarkable"), 5-6: "Aprobado" ("pass"), and 0-4: "Suspenso" ("fail").
