Guida alle sedi Erasmus+ ad
uso delle studentesse e degli
studenti del Dipartimento di
Scienze politiche

DIPARTIMENTO
DI SCIENZE POLITICHE

SAPIENZA
UNIVERSITÀ DI ROMA

Questa brochure intende fornire un supporto utile alle studentesse e agli studenti del Dipartimento di Scienze Politiche per la scelta della sede e per la progettazione del loro percorso formativo all'estero nell'ambito del programma Erasmus+.

Per ognuna delle sedi partner sono riportate alcune informazioni essenziali relativamente a:

- La durata della mobilità e i requisiti richiesti (certificazioni linguistiche e ciclo di studi: 1. Studenti triennali; 2. Studenti magistrali; 3. Dottorandi di ricerca);
- Gli Uffici e gli eventuali referenti all'estero da contattare;
- La durata e il periodo dei corsi (semestre);
- La possibilità di seguire corsi impartiti in lingue diverse rispetto a quelle richieste dall'accordo;
- L'offerta formativa in lingua inglese;
- La possibilità di seguire corsi e sostenere esami anche in altri Dipartimenti o Facoltà dello stesso Ateneo;
- L'eventuale obbligo di registrazione prima della partenza per seguire corsi a numero chiuso;
- La disponibilità di residenze universitarie e l'offerta di supporto da parte degli uffici stranieri nella ricerca dell'alloggio.

E altre variabili importanti al fine di organizzare la mobilità Erasmus+.

La raccolta è stata realizzata attraverso una campagna di interrogazione dei partner del Dipartimento di Scienze Politiche, con la preziosa collaborazione delle studentesse (in ordine alfabetico) Ludovica Conserva, Annarita Napolitano, Giulia Oliva, e degli studenti Riccardo Berti, Vittorio Pio Casciani, Emanuele Carramusa, Giuseppe Ranieri, Gabriele Vallin.

The scheduled classes can be consulted here:	https://online.uni-salzburg.at/plus_online/webnav.ini			

Erasmus+ students may also include in the Learning Agreement courses offered by other Departments/Faculties of the same University

Yes, but limitation applies: There are various courses, i.e. [German Language Courses](#), at the University of Salzburg that are offered independently from study programmes. These courses are designed to improve a student's proficiencies and are offered as an additional and optional service and are not part of degree programmes.

Students may also select courses taught in different languages (for example, in English): Yes

- **NUMERUS CLAUSUS COURSES**

Are there any courses with a predetermined number of attending students?	YES	<input checked="" type="checkbox"/>	NO	<input type="checkbox"/>
Erasmus incoming students must register in advance to attend single courses	YES	<input checked="" type="checkbox"/>	NO	<input type="checkbox"/>
Could You evaluate an exemption from previous registration for Erasmus Incoming students?	YES	<input checked="" type="checkbox"/>	NO	<input type="checkbox"/>
If registration is necessary, how far in advance, before the course starts, are registrations opened?	At PLUS there is a variety of course types, each having its own eligibility and registration requirements: Lectures (VO) do not have participation limits and close with a final exam. Registration is possible many weeks. Seminars (SE), Tutorials (UE, VU), Excursions (EX), etc. have a limited number of participants, registration therefore has to be done very quickly. To pass seminars, etc. regular participation during the semester and final papers are required. Whether you can attend a course only becomes clear at the beginning of the semester - after the blinding course registration.

If Your University provides housing to visiting students, what is the deadline for them to apply?

Sciences Po Rennes has an agreement with CROUS which deals with accommodation in halls of residence. We normally obtain a small number of the rooms we apply for. This is why Sciences Po Rennes cannot guarantee a room to each student. Halls of residence are situated approximately a 15 minutes' walk from Sciences Po Rennes. Students are informed of the result of the rooms' attribution at the end of June for an admission in September and in November for an admission in January. If Sciences Po Rennes could not reserve a room for your students, the student association "Zephyr" will help them in their research for housing.

If Your University provides housing to visiting students, what is the deadline for them to apply?

We strongly recommend to book in advance, especially in Altea Campus (Fine Arts studies) due to the difficulty to find accommodation in the little touristic village. It will be necessary to search in the surrounding area: Benidorm, Alfaz del Pi, El Albir, Calpe, etc. well-connected by tram or bus.

Which platforms/websites would you recommend for student to find accommodation in Your City?

UMH does not have residence halls or off-campus student accommodations. Instead, there is a vast network of private accommodations near the university. More information about this network can be found at the Programa Nido

Programa Nido is a public database of private accommodations where owners voluntarily publish their properties so students can check availability near the campus. This online tool is public service-minded and aims to provide the university community with useful information in order to find accommodations according to their needs.
